No gluten? No worries. All menu items are Gluten-Friendly when ordered on a Gluten-Free bun (excluding Fried chicken burgers, El Diablo, Donald Trump, South of the Border, Southern Fried Wings & Onion Rings). Our Fries & Sweet Potato Chips are Gluten-Friendly, however they are cooked in the same oil as gluten products. Whilst every effort is made to maintain a Gluten-Friendly environment, Gluten-Friendly options may come into contact with traces of gluten when we prepare them. We recommend that our Gluten-Friendly options are suitable for people with a non-coeliac gluten sensitivity.

Vegans rejoice! Our fries are Vegan-Friendly and so is the South of the Border burger if you remove the aioli. The Mushaboom burger & Spartan salad are both Vegan-Friendly if you remove the goats cheese & aioli.
